

BBA 2005 DEGREE PLAN

DEGREE REQUIREMENTS FOR BACHELOR OF BUSINESS ADMINISTRATION

UH & Bauer College policies (see catalog for all other policies)

- The BBA is exclusively a day-time program for students seeking their first undergraduate degree. PB students should consider certificate or graduate programs.
- A maximum of 66 lower-level transfer hours may be counted from any other institution of higher education.
- Last 30 hours of courses must be completed at the University of Houston-central campus.
- Pre-business majors are limited to five (5) 3000-level business courses and no 4000-level business courses until a degree plan is filed and the major changed from pre-business to a specific major in business. To take 3000-level business courses requires junior standing (or being pre-business in a mixed program: a one-semester transition prior to filing a degree plan) & a 2.0 gpa.
- Non-business majors may not take 3000-4000 level business courses except for INTB 3351, 3352, and 3353; ENTR 3310 and 3312; and MARK 3337 unless they have officially declared a minor in business or are in a specialty program, and are taking courses specifically required for that minor or specialty program. All business minors require a 2.75 GPA on the last 60 hours of coursework including transfer work and all attempted hours except for the Global Business minor and the International Area Studies minor. A 2.0 gpa is required to take any 3000-4000 level business courses.
- The Bauer College of Business has specified filing periods for a major or a minor in business: www.bauer.uh.edu/undergraduate/degree_plan.html.
- See catalog for course prerequisites to avoid being dropped without refund (for current business course prerequisites, see <http://www.bauer.uh.edu/Undergraduate/prereqs.htm>)
- Students should be aware of enrollment caps and the "three-peat" rule: <http://www.uh.edu/provost/stu/stu.html>
