Who are we?

We are the world's largest oilfield services company¹. Working globally—often in remote and challenging locations—we invent, design, engineer, and apply technology to help our customers find and produce oil and gas safely.

Who are we looking for?

We need more than 5,000 graduates to begin dynamic careers in the following domains:

- Engineering, Research and Operations
- Geoscience and Petrotechnical
- Commercial and Business

What will you be?

Walgreens

At Walgreens, we help people get, stay and live well. That's our core purpose and the difference we make in people's lives every day. Our purpose has shaped the direction of our company since Charles R. Walgreen Sr. founded his first drugstore in 1901, and it still does today.

Our team members make that purpose come to life in our over 7,800 stores, in our call centers, distribution centers, on-site clinics, specialty pharmacies and corporate offices. In fact, those daily demonstrations of our purpose have helped Walgreens become an industry leader and a household name.

Walgreens has something for everyone who wants to build a successful career. Here, you'll find the tools you need to grow your skills, help build healthy communities and advance your career.
