GLOBAL ENERGY MANAGEMENT INSTITUTE

SYMPOSIUM ON RELIABILITY AND SECURITY ACROSS THE ENERGY VALUE CHAIN

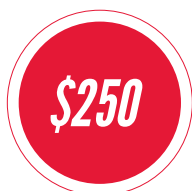

7 a.m.-4:30 p.m. | Hilton University of Houston

Join the Global Energy Management Institute on March 11 for a symposium on reliability and security across the energy value chain. Senior and mid-level executives from all sectors of the energy value chain (upstream, downstream oil and gas, power and midstream), lawyers, bankers and consultants supporting those sectors should join us for a full-day event with four panels covering regulation, contracts and financing, infrastructure and risk management.

Opening Keynote Speaker:

C. GREGORY HARPER

**President, Gas Pipelines and Processing,
Enbridge**

MENTOR LEVEL

*Includes 1 ticket for sponsor and 1 ticket for student.
