GLOBAL ENERGY MANAGEMENT INSTITUTE

EXECUTIVE EDUCATION

GLOBAL ENERGY EXECUTIVE MBA

Houston, Texas, USA
Beijing, China

In town and across the globe, we are preparing senior executives in the oil and gas industry with the training to bring advanced knowledge to the world's largest industry.

More than **235** senior energy executives from Beijing have earned degrees from UH Bauer's Global Energy Executive MBA program.

EXPERIENCED FACULTY

The professors teaching energy courses at UH Bauer include both academicians who are breaking ground on research and scholarship in the discipline, and industry professionals with decades of experience leading the world's largest energy companies. Our energy faculty are resources for local and national media, as well as industry groups and government task forces and commissions.

NEARLY 300 The number of energy companies actively recruiting UH Bauer students
