

C. Gregory Harper

*Senior Vice President and Group President
CenterPoint Energy Pipelines and Field Services*

C. Gregory Harper is President and Chief Executive Officer of Spectra Energy Partners, LP, the \$1.6 billion master limited partnership formed by Spectra Energy Corp. Harper also serves on the Board of the Partnership.

Mr. Harper previously served as Group Vice President of Spectra Energy Transmission, responsible for the analysis and preparation required to establish and support Spectra Energy as a publicly traded midstream natural gas business. Prior to his return to Spectra Energy Transmission, Harper served as Group Vice President Of Energy Marketing And Management for Duke Energy Americas. He managed the commercial activities for Duke Energy's North American wholesale energy business.

Mr. Harper joined the company in May 1987 as an engineer for Texas Eastern Transmission Corp. After a series of promotions, he was named Division Engineer for Panhandle Eastern Corp. and Manager of Business Development for Texas Eastern marketing. Mr. Harper was promoted to Director of LDC Markets And Producer Services in 1997, and General Manager of Texas Eastern and Algonquin Gas Transmission in 1999. He became Vice President of East Tennessee Natural Gas (ETNG) in 2000, and served as Vice President of Business Development and ETNG for Duke Energy Gas Transmission. He was named Senior Vice President of Energy Marketing for Duke Energy North America in January 2003, and Group Vice President of Energy Marketing and Management in January 2004. He was named to his current position in May 2006.

The Owensboro, Ky., native received a BS in mechanical engineering in 1987 from the University of Kentucky in Lexington, Ky. He also received an MBA, with honors, in 1997 from the C. T. Bauer College of Business at the University of Houston and completed Rice University's Executive Development Program.

Harper is a member of the National Energy Services Association and is on the boards of Houston's Theatre Under The Stars and Bauer College's Global Energy Management Institute.
