

# OUR CITY, OUR COLLEGE

## A Global Solution

Faculty from the C. T. Bauer College of Business are collaborating to address health care challenges faced by global leaders.

Bauer College professors Elizabeth Anderson-Fletcher and Dusya Vera, along with Hilton College and Bauer College professor JeAnna Abbott, recently examined how leaders in science, resource management, talent management, supply chain and governmental policies can learn from previous public health epidemics. To avoid the “massive failures in communication” seen during the 2014 Ebola outbreak, leaders around the world must examine the rising Zika virus crisis through a supply chain lens, analyzing how all entities in the Zika supply chain can enhance their mindfulness and work together as partners, according to their co-authored study.

At Bauer, our faculty are focused on producing research with impact. *We are Houston, and we are your business connection.*

C. T. Bauer College of Business is an AACSB accredited business school.

The University of Houston is an EEO/AA institution.
