

OUR CITY, OUR COLLEGE

Achieving Top Rankings

At the C. T. Bauer College of Business, our programs are ranked among the best nationally.

In fact, we are celebrating two recent national rankings this fall. In October, Bloomberg BusinessWeek ranked the Bauer Professional MBA 15th in the United States among publics and 38th overall, marking a jump of 14 spots in the list. Just a few weeks later, The Princeton Review and Entrepreneur ranked Bauer College's Cyvia and Melvyn Wolff Center for Entrepreneurship third in the nation in its list of Top 25 Undergraduate Colleges for Entrepreneurs — the ninth consecutive year that Bauer College was included in the ranking's top three.

Our programs are designed to meet industry need and graduate leaders prepared to navigate innovation and change.

We are Bauer, and we are your business connection.
