Real Estate

Innovative Professional Practice Award Nomination Form

Nominate

Nominate a real estate professional or organization that has developed a new, unique and valuable innovative methodology or “practice” to receive the first annual Innovative Practice Award from the Stanford Alexander Center for Excellence in Real Estate.

“Innovative Practice”

Real Estate Innovative Practice is an innovative methodology that when applied to development of a real estate project, or related process, service or operation is found to improve results and advance achievement of the desired objective.

The methodology will typically utilize interdisciplinary skill, knowledge sharing, and collaborative efforts. Therefore, it implies the combination of people, projects, and services.
