

Student Registration Graduate Real Estate Internship Program

Purpose

Internship employment provides students with professional work experience in real estate and introduces employers to MBA's with up to date business skills while supporting their "Practice-based Education."

Terms of Internship Employment

- **Part-time/full-time:** ½ time, 20 hours per week, or full-time, 40 hours per week, or otherwise as agreed by employer and employee.
- **Employment:** Interns are employed pursuant to the employer's HR policies and procedures.
- **Compensation:** Set by employer, meets minimum wage requirements and normally range between \$15 and \$20/hour.
- **Internship Stewardship and Accountability:**
 - Interns are assigned a supervisor.
 - Employer develops a position with work projects that offer educational benefit to the student through developing their professional skills. This internship position should also add value to the company's mission.
 - Under employers' guidance, interns develop three learning objectives to achieve over the duration of the internship assignment.
 - Employer appraises intern performance at the conclusion of internship in order to establish accountability for student progress and to ensure that internship learning objectives were met.

Student Candidates

- UH Bauer MBA and MS Finance students registered in the Graduate Real Estate Certificate Program.
- Students are required to enroll for credit in the course: Real Estate Professional Internship, Summer Semester 2014.
- Students are required to complete Internship Orientation Session and agree to adhere to Bauer Code of Ethics.

Matching Process

- Graduate Real Estate Program staff will assist in facilitating a match between employers and students based on academic and professional qualifications and industry preferences. Student resumes are sent to employers for review.

Registration

- Employers register a position description and terms of employment.
- Students register preferences by industry type and send current resume.
