OUR MISSION
The Mission of the Rockwell Career Center is to complement Bauer College students’ academic experiences with professional development to help them attain successful and fulfilling business careers and to increase the value of Bauer to the business community.

OUR VALUES
Responsiveness: We take personal responsibility to acknowledge all requests for information in a timely and accurate manner.

Integrity: We are honest, fair, trustworthy and ethical with all of our customers.

Professionalism: We create a strong impression with employers and behave as role models for students.

Lifelong Learning: We provide up-to-date knowledge, resources and training to facilitate growth and advancement.

Teamwork: We unite corporate leaders, alumni, the university and the Houston community to enhance career opportunities for Bauer students.

SERVICES FOR STUDENTS

Career Events: Career Fairs, Workshops, Résumé ER/RoundUp, Volunteer Fair and Special Events.

BAUER INTERNSHIP ACADEMIC CREDIT
For internship information, please visit us online at www.hirebauer.com. If you need assistance with your internship search or for questions regarding Internship Academic Credit please schedule an appointment with your Career Counselor.
OVERVIEW
A Bachelor of Business Administration in Finance from the C. T. Bauer College of Business provides students with an understanding of how financial decisions of corporations, individuals and nonprofit organizations are made. Finance studies focus on analysis and management of risks, costs and benefits of capital budgeting decisions, and dealing with corporate financial management. Graduates are also well prepared for investment analysis, operation of institutions, analysis of derivative securities, risk and insurance, real estate finance and international securities markets.

TRACKS
• Global Energy Management Professional Program (GEMPP)
• Global Energy Management (GEM)
• Personal Finance/Financial Planning
• Risk Management & Insurance (RMI)
• Commercial Banking Certificate

SKILLS & INTERESTS
Quantitative skills are extremely important. Take additional courses in math, statistics, and accounting.
Many positions in finance require the ability to analyze and interpret data.
Develop strong interpersonal and communication skills and an eye for detail.

TIPS FOR SUCCESS
Gain experience through internships, summer and part-time positions.
Read The Wall Street Journal and other financial news magazines to stay abreast of current events and to learn more about the industry.
Join student professional associations in the field of finance.
Several professional designations and licenses, e.g. Chartered Financial Analyst or Certified Financial Planner, are available to finance professionals working in a particular area. Earning these designations may help you obtain advanced positions.
