

# BAUER MINI-MBA

*READY TO LEAD IN ONE WEEK*

JANUARY 22-26, 2024

Office of Executive Development  
C. T. Bauer College of Business

The Bauer Mini-MBA is designed to expose you to the basic fundamentals of business. Led by the same faculty who teach within the renowned Bauer Executive MBA, the Mini-MBA offers high-caliber instruction within a consolidated timeframe.

Whether you need to be more effective in your current role, or you're looking for a credential to stand out from the crowd, the Mini-MBA is executive development designed to give you just what is needed to lead in one week.

Specializations include:

- **ARTIFICIAL INTELLIGENCE**
- **HEALTHCARE**
- **DATA ANALYTICS**
- **HUMAN RESOURCE MANAGEMENT**
- **DIGITAL MARKETING**
- **MANAGEMENT & LEADERSHIP**
- **FINANCE**
- **SUPPLY CHAIN MANAGEMENT**

- Access to a high-value professional network.

# MINI-MBA TESTIMONIALS

## **ERICA CHRETIEN**

**APACHE CORPORATION, HR SENIOR MANAGER, OD**  
MINI-MBA IN MANAGEMENT & LEADERSHIP

- “ This experience was a dynamic learning experience with experienced faculty and a diverse cohort. The program covered essential business topics including finance, marketing, strategy and leadership which gave me a well-rounded understanding of the business world. The interactive nature of the program encouraged networking and collaboration which allowed me to learn from my peers and build valuable professional connections. Overall, the experience was enriching and empowering, equipping me with valuable skills and knowledge to excel in my career.
- ”

## **MARTINE SNYDER**

**PFS GROUP, CCO @ HEAD OF INNOVATION**  
MINI-MBA IN DATA ANALYTICS

- “ It was an incredibly enriching experience that exceeded all my expectations. The program was well-structured, and the instructors were top-notch, bringing a wealth of industry knowledge and real-life examples to the classroom. The hands-on exercises and case studies allowed me to apply what I learned and see different applications of data and analytics at my company. I am now equipped with a deeper understanding of the role of data in decision-making. I highly recommend the program to anyone looking to enhance their business acumen and develop their data and analytics skills.
- ”
