Alternative Majors to Business Administration

The GPA requirement for a business minor are the same as for a business major except for the Business Foundations minor, which requires a 2.0 GPA at UH. Visit [www.bauer.uh.edu/undergraduate/business-minor](http://www.bauer.uh.edu/undergraduate/business-minor) for more information on business minors. Students are encouraged to make use of University Career Services for assistance in career and major exploration: [www.career.uh.edu](http://www.career.uh.edu).

I. Accounting

Students may select any other major of interest, along with the Business Foundations minor, and return to UH as a post-baccalaureate student for the Certificate in Accountancy Program, which will provide the accounting hours needed for the CPA exam (an accounting degree is not required for the CPA): [http://www.bauer.uh.edu/departments/accy/CAP](http://www.bauer.uh.edu/departments/accy/CAP). For more specific questions about the CPA, contact the Texas State Board of Public Accountancy: [www.tsbsa.state.tx.us](http://www.tsbsa.state.tx.us).
