Franklin Square Capital Partners

Franklin Square Capital Partners is a sponsor and national distributor of innovative alternative investment products. The firm was founded in 2007 by an experienced group of industry professionals who saw an opportunity to enable investors to tap into the same strategies employed successfully for years by large institutional investors — like pension funds, financial institutions, endowments and high net worth individuals. Franklin Square believes that institutional portfolios that selectively incorporate alternative investments are better-suited to manage risk and generate above-market returns than the typical investor's portfolio.

The firm is seeking Sales Associates for Houston, Orlando and Philadelphia locations.

Remington Corporate

Remington Colleges, Inc. is a 501(c)3 public charity that owns and operates an affiliation of twenty not-for-profit, post-secondary institutions of higher education. Starting with a single campus 26 years ago, Remington Colleges currently operates 20 individually accredited campus locations with a current enrollment of approximately 8,000 students.

As a provider of educational services to students, colleges have all the same needs and challenges as any other business and need smart, confident managers to lead the operations. As a non-profit organization, Remington College contributes to the well-being of the communities in which our students, faculty, and staff reside by providing relevant, career-focused education accessible to working adults and by engaging in charitable activiti...

SnapStream Media

Founded in 2000, SnapStream is a Houston-based software company focused on building TV search technology. Starting as a PC-DVR solution for the home, which earned the praise of Bill Gates, SnapStream has since matured to a robust, enterprise-grade platform. Today, our developers carry this expertise forward, continually adding new features and functionality to deliver an unparalleled TV monitoring solution worldwide.

SnapStream offers a challenging technical environment, but our attitude is decidedly relaxed. We work flexible hours, drink a lot of Red Bull and soda, and wear pretty much anything that's clean. We offer all the tools and perks to making coding fast and fun: dual LCD's, free snacks, Fast Fiber connection, fun intra-office events, etc. And we love what we do for a livin...
