ABC Supply

ABC Supply is the largest wholesale distributor of roofing in the United States - and one of the nation's largest distributors of siding, windows and other select exterior building products. ABC's National Support Center is based in Beloit, Wisconsin and has over 450 locations throughout 44 states. We have built our business on a simple guiding principle – taking care of contractors better than any other distributor. We accomplish this by being an “employee-first” company that treats associates with respect and gives them the tools they need to succeed.

Atterro

We're an organization of doers, initiators, and energetic professionals that love solving our client's most important problems – finding great people to work with for their organization. Everyday we're encouraging our associates to be the best at what they do and to set the bar high. We're looking to hire 2 sales focused interns this summer. The Sales Intern will gain experience and exposure to Atterro's sales endeavors. Specifically, they will be responsible for developing new client opportunities for the company. In addition to the sales responsibilities, the intern will be assigned a research project that they will report on at the end of their internship assignment.

Lutron Electronics

Joel and Ruth Spira founded Lutron Electronics Company, Inc. in 1961. Lutron's first product was called a "dimmer switch" and represented the world's first solid-state electronic device used to dim lights in a home, replacing bulky rheostats and autotransformers that were inefficient and unattractive. Although Lutron has grown substantially over the past several decades, the company still maintains the feel and personal closeness of a smaller firm.

Spring 2014 Business Career Fair

Wilson & Franco

Wilson & Franco is a highly-respected property tax consulting firm representing some of the biggest and best businesses in the United States. Begun in 1992 as Equitax Property Consultants, Wilson & Franco evolved from a small Houston-based family business, and through intense dedication to its clients and respect for its staff, grew into a firm with a record of remarkable achievement and profound influence on the industry. The firm now employs 20 people and operates in nearly every state.

We have openings for data entry and analysis in the Real Property and Personal Property departments.
