Term Paper and Weekly Journal

Once enrolled in GENB 4396, students are responsible for submitting a term paper to the Internship Faculty Advisor by **Friday, December 5th, 2014**. The term paper must be submitted via Blackboard course online in the designated drop box; email and/or paper submissions will not be accepted. The following are term paper guidelines set by the Internship Faculty Advisor:

The analytical term paper may vary in length, but is expected to be between 4-5 pages, double spaced. The term paper should discuss and analyze in detail several of the learning opportunities you had while completing the internship. It is recommended that you select a couple of topics/assignments and discuss/research in detail. Students must be able to articulate through business analysis the knowledge gained from the internship. The term paper should discuss both the positive and negatives of the learning experience as well as demonstrate your knowledge through additional research.

Students are also responsible for providing the Internship Faculty Advisor with a weekly journal that records what you have worked on during the internship assignment with (a) what, if anything new has been learned during the day and (b) what obstacles were faced and/or accomplished. Weekly journal entries must be entered into the Blackboard course page online. Failure to submit these two items by **Friday, December 5th, 2014** will result in a “U” for the course.
