

## ROCKWELL CAREER CENTER PARTNERSHIP

The Rockwell Career Center serves one of the largest and most diverse business schools in the nation, and all of our student programming is entirely funded by the generosity of our corporate partners. The RCC Partnership Program creates a formal structure for recognition of annual giving by companies who are supporting our office's career development and student leadership programs. Members will not only be recognized at specific events, but also through a donor recognition wall at the Career Center front desk and website as well as participation on our Advisory Board.

Unless otherwise noted, the period of membership includes three consecutive semesters from the time of the member's enrollment, including one Fall, one Spring and one Summer semester.

### Benefits to all partners at the Bronze level and above:
