BAUER COLLEGE ALUMNI ASSOCIATION (BCAA)

The Bauer College Alumni Association was established in support of the college and the University of Houston. BCAA believes that the “Bauer Experience” should last a lifetime, which is why the group works to strengthen the relationship among and between the 40,000 Bauer alumni, current students, business community, Bauer College of Business and the University of Houston.

BCAA provides financial support by organizing fundraising activities like the annual Ted Bauer Golf Tournament and an online auction, which fund student scholarships and endowments. BCAA members also participate in activities like student recruiting and career services events.

Membership in BCAA includes the following privileges: subscription to UH Alumni Quarterly magazine, online alumni directory access, use of the UH Wellness Center, Continuing Education discounts, bookstore discounts, \$100 discount on Kaplan Test Prep courses, and more. All graduates of Bauer College are eligible for membership in BCAA. Because BCAA is a constituent organization of the University of Houston Alumni Association (UHAA), when you join UHAA, you automatically become a card-carrying member of BCAA.
