

## *John Corrigan*

John Corrigan is a partner in Strategy's Dallas office aligned to the firm's energy, chemicals and utilities practice. His main focus is on natural gas midstream and energy markets, and he has worked with public and government-owned utilities in the U.S. and Canada.

He co-authored a *strategy+business* article on unconventional gas discovery, "[Big Oil and the Natural Gas Bonanza](#)".

John joined Strategy in 2004 from Deloitte. Prior to consulting, John spent 10 years in the energy industry working primarily in the midstream and markets area with roles in trading, business development, and finance, including one year as CFO at Aurora Natural Gas.

He holds an MBA and a BA in Economics from the University of Texas.
