

ANTHONY J. SCARAGGI
Vice President of Operations
Distrigas of Massachusetts LLC (GDF SUEZ Gas NA)

Anthony (Tony) Scaraggi is Vice President of Operations for GDF SUEZ Gas North America. Tony has more than 25 years of experience in the natural gas business, including directing and developing LNG, gas utility, and compressed natural gas-related efforts. Most recently, he was Director of Operations, Maintenance, and Regulatory Compliance for Distrigas of Massachusetts, the oldest and longest continually operating LNG import terminal in the U.S.A, located just outside of Boston in Everett Massachusetts. Tony's responsibilities include the overall operations of the Distrigas Everett LNG Terminal.

Prior to joining GDF SUEZ, Tony held several engineering, project and LNG plant positions, including the position of Principle Engineer at KeySpan Energy.

Tony holds Bachelors and Masters Degrees of in Chemical Engineering, and an MBA in Finance.
