

COMMERCIAL BANKING TRACK

OVERVIEW:

The Commercial Banking Track and Certificate (CBC) is a complete undergraduate education designed to prepare students for a career in commercial banking. Students pursuing the Commercial Banking Certificate in Finance must meet the traditional BBA requirements for Finance majors. Students who complete the Commercial Banking Certificate will take specific Finance and Accounting courses designed to equip them for success in the commercial banking industry. They will also have the opportunity to meet industry subject matter experts in the classroom, develop possible mentorships, and obtain internships.

CURRICULUM:

Required courses for all Finance majors:

- STAT 3331: Statistical Analysis for Bus Applications 1*
- FINA 4320: Investment Management
- FINA 4330: Corporate Finance

Required Commercial Banking Finance courses:

- FINA 4341: Commercial Bank Management
- FINA 4342: Financial Evaluation of Corporate Reports - only offered in Spring semesters
- FINA 4343: Credit Analysis
