## DISTINGUISHED *Leaders Series*

**ABOUT THE DISTINGUISHED LEADERS SERIES** — Presented by Sequent Energy Management, the Distinguished Leaders Series was launched in 2002 with Charles T. "Ted" Bauer, founder and retired chairman of AIM Management Group. The series serves as a forum to connect students with professionals, most recently with those who are in leadership positions in the energy industry.

The University of Houston is an EEO/AA institution.
