Sophomores

Future Leaders in Finance Program

This program provides undergraduate students with the opportunity to work with and learn from SRR's industry leading professionals, while also developing an "edge" as they prepare for a career in finance.

Selected candidates will spend three days at one of SRR's locations to gain exposure to the finance industry by participating in:

- financial modeling training sessions
- case studies
- professionalism workshops
- interactive presentations
- networking opportunities

Juniors

Internship Positions

SRR's Internship Program has been designed to provide students with opportunities in professional development and career exploration.

Interns will have assignments in a variety of industries and receive a great deal of client exposure early in their careers. Interns are given substantial responsibility and the opportunity to interact with senior level professionals in a number of capacities.

Seniors

Analyst Positions

SRR believes our employees are our greatest assets and we work hard to keep our employees engaged, encourage them to grow, and support them in their interests and aspirations so SRR can continue to successfully expand.

SRR provides our new Analysts with the training and tools they need to grow in their careers.
