

FACULTY

Warren Cole, Consulting and Development Beaverton, OR Cole has 32 years of banking experience in the Pacific Northwest, most recently with U.S. Bancorp managing commercial banking training. His career has spanned all phases of branch administration and management; commercial, real estate, and consumer lending; product management; risk management; and asset securitization. An honors graduate of Pacific Coast Banking School, he graduated from the University of Oregon and holds a Masters in Instructional and Performance Technology from Boise State University. While continuing as an instructor for RMA, he has worked as a consultant in credit and risk processes for major software firms serving the financial services industry. He has also served as a consultant for Infosys Limited and Capgemini.
