"We were able to gain a deeper understanding of our importance to Key Customers, while learning to better negotiate, communicate and understand our higher level customers. The experience enabled all of us the opportunity to jump out of our comfort zone and utilize the skills we learned over the week in the role play exercise with the executive leaders. Our week at The University of Houston was powerful and has heightened our roles and our confidence as leaders."

—Megan McGuire, Key Account Manager, 3M Health Care
