THE FUTURE
IS OUR BUSINESS™

MISSION STATEMENT

YOUR FUTURE LAUNCHES HERE

At Bauer, we believe good things happen when you work hard and surround yourself with the right people. That's why we seek students who thrive on curiosity and gritty determination, and surround them with diverse student perspectives, world-class faculty and an ecosystem of big ideas. It's also why we insist on making our forward-looking, student-centered curriculum accessible and affordable — because the benefits of a premier education should be open to anyone who is willing to work for it. That's who we are, and that's whom we're looking for.

MS PROGRAMS

Business is changing faster than ever. Bauer's wide array of Master in Science programs helps students develop specialized skills in specific fields to advance their career goals, and to lead the businesses that are defining the world.

MS ACCOUNTANCY

 ONLINE  IN-PERSON

Available both in-person and online, this STEM-designated program gets you practice-ready for the challenges and rewards of a cutting-edge accounting career. Choose between three tracks to propel your career: Assurance and Financial Reporting; Tax Compliance and Consulting; Business Advisory and Internal Audit.

MS ENTREPRENEURSHIP

 ONLINE

Born from a long tradition of entrepreneurship at the University of Houston, this program is designed to give you the tools you need to bring your vision to life. We'll help you develop your business plans, and you'll finish the program having laid the foundation of your new venture, or ready to start expanding and scaling your existing business.

MS BUSINESS ANALYTICS

 ONLINE  IN-PERSON

The MS in Business Analytics is built around eight employer-identified competencies rooted in analytics, decision-making, and leadership. Get the data-based skills you need to shape modern business and the confidence and connections it takes to chart your own path.

MS FINANCE

 ONLINE  IN-PERSON

The financial sector is changing faster than ever before. Bauer's MS in Finance will help you start out on top — and stay there. In this STEM-designated program, you'll tailor your curriculum to fit your career goals by concentrating in one of six specialties: corporate finance; investments and portfolio management; wealth management; quantitative finance; energy finance; and real estate finance.

MS GLOBAL ENERGY LEADERSHIP

 **IN-PERSON**

The goal of the Master of Science in Global Energy Leadership program is to prepare graduates to advance their careers as managers in the energy industry by imparting both the knowledge of the business of energy and exposure to effective management skills.

MS MANAGEMENT INFORMATION SYSTEMS

 **ONLINE**  **IN-PERSON**

Data and technology are transforming business at an exponential rate, which means there is a rapidly growing need for highly qualified people who can translate new technology advances into business capabilities and business needs into technology-based solutions. Our STEM-designated degree provides you with the leadership technology skills employers are looking to invest in.

MS MARKETING

 **ONLINE**  **IN-PERSON**

The Master of Science in Marketing at Bauer equips students to handle the ever-changing landscape of the marketing industry through the use of cutting edge curriculum, customized learning opportunities, and a world-class faculty.

MS MANAGEMENT & LEADERSHIP

 **ONLINE**

Too many of today's business leaders rise through the ranks without ever being taught how to actually manage people or think strategically about how organizations function. This completely online program will give you the skills to define the solutions and manage the people and processes it takes to meet any challenge head-on.

MS SALES LEADERSHIP

 **ONLINE**

Nothing happens until somebody sells something. This completely online program is designed for mid-career professionals whose path to executive leadership is through sales. You can supercharge your career in just 12 months and take the inside track to career advancement. This is a targeted program for ambitious risers ready for their next big leap.

MS SUPPLY CHAIN MANAGEMENT

 **ONLINE**  **IN-PERSON**

Our Supply Chain Management graduates who are transforming the way business is done – and seeing how their work makes a difference. Learn the skills you need to become a well-rounded expert, capable of solving the toughest supply chain challenges and taking your company to the next level.

ADMISSIONS REQUIREMENTS

MS programs do not require work experience, and GMAT/GRE waiver eligibility varies for each program. Some UH undergrads may qualify for a GMAT/GRE waiver if they apply within three years of their graduation and have a cumulative GPA of 3.6 or higher.* Case-by-case GMAT/GRE waivers may also be available.**

INTERNATIONAL APPLICANTS:

Apply as an international graduate if you are:

- > NOT a U.S. Citizen
- > NOT a U.S. Permanent Resident
- > Plan to attend the University of Houston on any type of U.S. Visa
- > Have earned a 4-year baccalaureate degree or higher degree from an accredited college or university, equivalent of a U.S. bachelor's degree.

CONTACT:

For more information about the programs and admission requirements, please contact:
msprograms@bauer.uh.edu

* The MS Accountancy cumulative GPA requirement for UH undergraduates is 3.5 or higher.

** Please contact msprograms@bauer.uh.edu for more information.

- ✓ Letters of Recommendation
- ✓ TOEFL/IELTS (for international applicants)
- ✓ Financial Backing Form and copy of passport (for international applicants)

TUITION PLANNING

Financial aid is available to U.S. citizens and U.S. permanent residents through the federal government. A graduate student in one of these categories is eligible for up to \$20,500 per year in Federal Direct unsubsidized loan.

FINANCIAL AID

Complete your FAFSA as soon as possible after October 1 of the year you plan on attending. To receive financial aid, students must be enrolled in at least five credit hours each semester. Repayment for both types of loans begins six months after graduation or any time the student drops to fewer than five credit hours per semester. An application is available through the Free Application for Federal Student Aid website, at www.studentaid.gov.

OTHER FINANCING OPTIONS

If the federal direct loans are not sufficient to cover a graduate student's cost of attendance (as set by the UH Financial Aid Office), other types of loans are available. Students eligible for Federal Direct loans may also be eligible for a Graduate PLUS Loan or a private bank loan. These loans do check credit history. International students may receive a private loan so long as they have a creditworthy U.S. cosigner. Additional loan information is available on the UH website at www.uh.edu/financial/graduate/loans/ALT-GRAD, or through your local bank.

GRANTS

Grants are available on a limited basis for Bauer graduate students. Apply early and work with our financial aid advisor to identify funding for your degree.

SCHOLARSHIPS

Prospective Bauer graduate students who meet the requirements may be eligible for University of Houston scholarships. The Bauer College also offers scholarships for both domestic and international MS students. A single application, available at bauer.uh.edu/scholarships. If you have any questions regarding scholarships, contact the Bauer Scholarship Director at scholar@bauer.uh.edu

Bauer College is unique in that it houses a financial aid advisor who exclusively serves its graduate students. If you have any questions regarding financial aid, contact the Bauer Graduate Financial Aid Advisor:
