

UNIVERSITY of **HOUSTON** | BAUER

SCHOLARSHIP CRITERIA FORM

Thank you so much for your generous donation to support scholarships at Bauer College! We appreciate your gift and would like to offer you the opportunity to help us find a student candidate for your scholarship. We ask that you complete the form on the next page as follows:

In the section called “**Donor Information**” please fill in the name of the DONOR. This could be an individual, a company, an organization, foundation, etc. Please write the name of the donor exactly how you would like to be recognized. For example, you may want to include a spouse name for a joint gift.

If the donor is an organization, company, foundation or other group, please provide a Contact Name to whom student recipients should address a thank you letter. You may also include an email address and organizational website if available.

In the section called “**Scholarship Format**” please name your scholarship. It is helpful to try to be specific. For example: *The Nancy Jones Leadership Scholarship in Finance*; or *The Acme, Inc. Scholarship for Selling Students*.

Please list the number of scholarships you intend for the Scholarship Committee to award and the amount of each scholarship. For example, a \$10,000 gift may be awarded as a full ride for one student, two \$5,000 scholarships for graduate students, four \$2,500 scholarships, ten \$1,000 scholarships, etc. If you would like to make the same scholarship gift annually, please check the box marked Annual Scholarship and you will be invoiced for your scholarship gift.

In the “**Scholarship Criteria**” section you can narrow down the committee’s selection requirements to hone in on the type of student you intend to support. Choose a particular classification or leave it open by checking All Business Students. Chose a student’s course of study or leave it open by checking All Business Majors. Let us know if you intend for the funds to be awarded based on *need* or based on *academic performance*.

If there is another criterion not listed please provide details in the section for Other Qualifications or Special Criteria.
