

UNIVERSITY of HOUSTON

C. T. BAUER COLLEGE of BUSINESS
Graduate Real Estate Program

Real Estate Center Associates Stanford Alexander **Center for Excellence in Real Estate**

Real Estate Center Associates are an association of practicing real estate professionals and graduates of the Graduate Real Estate Program, dedicated to supporting student's success in their transition from the classroom to the real estate profession.

Real Estate Center Associates partner with the *Bauer Graduate Real Estate Club* to support student success through mentorship, career counseling and initial employment search. The objective is for all students graduating from the Program to become successful real estate professionals and productive members of the real estate community.
