

STAT 3331 Prerequisites & Exceptions

STAT 3331 Prerequisites: MIS 3300, MATH 1313, and MATH 1314 with a grade of “C” or higher are prerequisites for STAT 3331.

STAT 3331 Course Prerequisite Exceptions

Students with a cumulative GPA of 3.0 or higher at the end of Fall 2019

Students enrolled in MIS 3300, MATH 1313, and/or MATH 1314 this Spring 2020 to meet the prerequisites for STAT 3331, and who select a grade of “S” may take STAT 3331 in Summer or Fall 2020 only if their cumulative GPA at the end of Fall 2019 was 3.0 or higher. After May 18th, students who do not meet the catalog prerequisites or qualify for this one-time exception will be dropped. Students without the catalog prerequisite or who do not meet this exception may not add STAT 3331. Students who meet the catalog prerequisites do not require a cumulative 3.0 GPA at the end of Fall 2019.

Students with a cumulative GPA below 3.0 at the end of Fall 2019

Students whose cumulative GPA was below 3.0 at the end of Fall 2019 and who select a grade of “S” in MIS 3300, MATH 1313, and/or MATH 1314 are not eligible for this exception, and would need to re-take the course(s) for the grade required in order to take STAT 3331. Therefore, if your grade will be a “C” or higher in MIS 3300, MATH 1313, and/or MATH 1314, and you want to take STAT 3331, you should keep the grade and not select the “S” grade option for these courses. (Note that BUSI 2305 Business Statistics is an alternative course for STAT 3331, except for Finance and Supply Chain Management majors.)

Pre-business students who transferred to UH in Spring 2020 without a Fall 2019 cumulative GPA at UH

Pre-business students without a UH cumulative GPA at the end of Fall 2019 and who select a grade of “S” in MIS 3300, MATH 1313, and/or MATH 1314 are eligible for this exception. The transfer GPA required for admission to business is a 3.0 or higher GPA (or by individual review), so they meet the exception criteria of a 3.0 or higher GPA. (Note that BUSI 2305 Business Statistics is an alternative course for STAT 3331, except for Finance and Supply Chain Management majors.)
